

Thank you for joining 1000 Books Before School – we are going to have a whole lot of fun together!

We want your home to become a reading home and for your children to be confident with books, language, and story before they go to school. Sharing stories together is a wonderful experience that will keep on giving throughout a lifetime.

Let's get started!

- Colour or place a sticker on your reading record for each book shared together.
- Any book, anywhere, anytime counts, including at home, Storytime, playgroup, creche or kinder.
- Once you have read 100 books, visit your local library to collect a reading record booklet, a special library bag, a 100-book merit patch, and a sheet of stickers for your next 100 books.
- Paste your 1-100 sheet into your reading record booklet if you wish or have fun sticking or colouring!
- Keep going using your reading record booklet, making sure to visit us for each 100-book milestone.
